

## JMS | Jail Management

*"I have a small jail so there is no way we can afford a new jail management system."*

### The Perfect Small Jail Solution

We have been hearing this for years and recognize the challenges faced by smaller facilities. Our mission is to provide a premier jail management system that is robust, easy to use, dependable and backed up with exceptional customer service. As a result of these needs, we have taken our state-of-the-art jail management system and scaled it to address small jail resources.
